This Term

Hope you've had a great Half term, we welcome Oliver, Louie, and Alice to Pre-School this term.

There is lots happening this term, including Chinese New Year, Pancake Day, Mothers Day and red nose day. Due to this we are continuing the community theme and plan to celebrate these customs, have a 999/safety week, as well as look at 'our pets' and other animals and our hobbies and friendship over the next six weeks. We will be making and tasting pancakes, and trying chinese food during the first week. We hope to have a visit from an ambulance and fire engine during the second week. Your child can bring in photographs of their pets w/c 2 March and any photographs you have of them taking part in any hobbies/clubs they enjoy, as well as certificates for achievements in these. We will be visiting church during the term to celebrate the custom of pancake day, and the Easter period, as well as to share the things we are good at and say thank you for the skills we have.

Don't forget we update the website every week, so have a look what we've been doing in pre-school and there are activities that link to the following week which you can do at home too - www.stlawrencepreschool.co.uk

Red Nose Day Friday 13 March!
