

# St Lawrence Pre-School (North-Wingfield)

Term dates: 8th September - 23rd October 2015

Contact: 07969 479260

**Hello!**

Welcome back to all the children after the summer break, we hope you all had a great holiday! Over the next month we have lots of new children and families starting pre-school, who we are looking forward to get to know, and help to settle into Pre-School.

Check out our updated website:

[www.stlawrencepreschool.co.uk](http://www.stlawrencepreschool.co.uk)

It has up to date information as well as activities and links that your child can do at home, which link to activities at Pre-School.

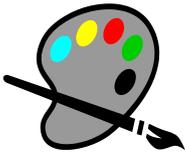

Please share with us, in the 'achievements at home' box anything that your child has achieved during the week, these will then be shared with friends and a sticker given during their time at pre-school!

**A BIG THANK YOU to Dad's army and rectory school rooms for repainting the fence, walls and the wood-work around Pre-School.**

## Children's Clothing

We love messy play so please ensure clothing is suitable and does not matter if it gets dirty! We have opened our new mud kitchen outside and making mud pies can be a messy job.

Please Note: We do provide aprons and wellies but unfortunately these do not always fully protect clothing.

Please ensure all children's clothing, especially jumpers and T-shirts, (that may be changed) are clearly labelled with their name.

As the weather changes please ensure your child has appropriate clothing for outdoor play as we go outside in all weathers.

## **Pre-School Uniform is now in stock!**

Please note there has been a small increase on uniform prices .

Sweat shirts—£5.75

Polo Shirts—£4.20.

## Early years pupil premium.

All 3 and 4 year old children will be handed a form to fill in over the next few days, the information provided will enable Pre-School to gain extra funding for eligible children, more information can be found on the attached flyer.

**Please ensure all forms are returned by 18.09.2015. Many thanks.**

## This Term!

This term we will be helping children to settle into pre-school, whether it's as they return from the summer break, or as they join pre-school. We will be learning the pre-school happy rules, as explained in the welcome pack and displayed in the play areas. We will be emphasizing helping friends, sharing and being kind to each other. This will encourage co-operative play, and enable the older children to help the younger children as part of the routine, and further their social and emotional development.

We will be discussing holidays that the children have had during the summer break, and extending these ideas to teach the children about the local area and community. We will be visiting church to learn about and celebrate the Harvest festival.

We have introduced a story of the term, this term we will be learning all about the Gruffalo. We will look at his animal friends, make Gruffalo crumble and go on a Gruffalo trail in the local area, amongst other exciting activities.

## Contact Numbers, Addresses and Allergies

**It is a legal requirement that registration forms are regularly updated. If your information changes during the year please ensure you complete a details form and pass it to a member of staff.**

**If your child is returning to pre-school, following the summer break, please complete the attached registration form, this form will override any information we currently hold on your child. Thank You.**
