## Welcome Back!

We hope you had a lovely Christmas and wish you all a Happy New Year!

This term we welcome Ethan, Macey, Jessica, Macy, Thea, Evangeline, and Keelan to pre-school, we look forward to meeting them and their families and helping them to settle.

## This Term!

Themes we will be looking at over the next 6 weeks include, Winter and seasons, textures, Dinosaurs and volcano's (from children's interests) and numbers, as well as any ideas the children have on a daily basis.

The story this term is Aliens Love Underpants, we will be reading the story and using props to re-tell it, we will extend the story to look at space and other planets. Children will be looking at our happy rules and reviewing the rules we follow at Pre-School, we will discuss the rules we follow at home to include in our happy rules.

A new light bulb system in the entrance area gives parents/carers an opportunity to give their views and ideas on what we do at Pre-School, please add any ideas you may have for future planning. The suggestions box is also still available in the main entrance.

Don't forget to add any achievements your child makes at home to our "fantastic things I've done at home" box, these will be shared at the end of session and added to our WOW board.

**REMINDER: If your child was born between 1 September 2011 and 31 August 2012 you need to apply for a school place for them! You must apply before 15 January 2016!**

### Can you help us?
