This Term

To begin the term we will be helping children to settle into pre-school, whether it's as they return from the summer break, or as they join pre-school. We will be discussing our happy rules during circle time talking about what we do that is good and how we look after our friends and toys. We will be learning the pre-school routine, such as wiggling our fingers for tidy up time; the older children being able to show the younger children how we tidy away the toys ready for group times and about keeping our friends safe as we go to and from the playground.

Our book of the term is : Dear Zoo! We will be sharing the story and props with the children as well as having activities and games relating to the story during the coming weeks. Please see the notice board and website for regular updates and activities!

During the following term we welcome you to join us for song and rhyme time with the children. This will take place 11.30am - 12pm and 3.30pm - 4pm on the dates below!
