On June 6th we welcome back Jo from maternity leave who will continue her role as manager.

As many of you are aware Laura will be leaving soon to have her baby boy. She will begin her maternity leave on Friday 10th June, Sarah will continue her role as deputy manager until Laura's return.

This Term

During the next few weeks we will be learning about spring and lifecycles. At Pre-school children will be looking and listening for signs of spring in the garden and on walks in the community, this could also be continued when out and about at home.

We will be investigating mini beasts, using magnifying glasses and bug pots as we go on mini beast hunts to explore their habitats and are hoping to get some caterpillars too.

Children will be planting vegetables in the garden and we will be watching seeds grow on our interest table.

We will be learning how we look after our environment by looking at recycling and what materials we can recycle.

Other topics the children are interested in learning about include - land, sea and air, Our bodies and Space.
