### Welcome Back!

We hope you've had an enjoyable break. You may have seen Gemma around Pre-School over the last few weeks. Gemma joins the PreSchool team to support key persons and staffing requirements. Gemma is currently getting to know the children and their parents/carers and will become a key person in September. Laura Smith a member of relief staff has also increased her hours during the summer term and will be working most Tuesday, Wednesday and Thursday afternoons.

We are very excited to tell you that Nichola is expecting a baby, due in Autumn. Nichola hopes to stay with us until early in the Autumn term when she will go on maternity leave.

### Group Photo's

**If you would like to order a group photo (proof sent home to those children included on it), please return your order by 4pm Friday 21st June.**

### School leavers

Over the next few weeks transition packs ( story/photos/info leaflets and a mark-making booklet) will be sent home to the children before their initial school visit. These packs are to share with your child at home and introduce them to their school, classroom and new teachers.

*We have limited packs so please return this back to Pre-School on the date requested so it can be passed on to the next child.*

### Outdoor Play

As the weather gets warmer we will be going outdoors from 9am to avoid the hottest times of the day. Children will during outdoor play have access to a drink of water and on the hottest days we will provide ice pops to keep cool!

To support us in this we would like you to drop off your child at 9am to the outdoor play area. We will display a large flag on the playground fence on the days we would like you to do this. This will make it much simpler and reduce the time it takes to move from indoor to outdoor. To reduce foot traffic across the car park please drop your child at the playground first and then take belongings/lunch indoors.

Please try and apply sun cream to your child before they attend Pre-School in the morning. We will apply suncream using either suncream provided or Pre-School's own if needed.

As the weather changes, please ensure children have suitable coats/sun hats with names in for outdoor play.

### Children returning to us in September

You should all have received a letter regarding fee's and the hours you would like your child to attend in the Autumn term.

Please return these as soon as possible for us to be able to organise sessions, staffing etc.

Thank you

## Stay and Play - Sports Activities
